

KARPAGA VINAYAGA INSTITUTE OF DENTAL SCIENCES

GST Road, Chinna Kolambakkam, Padalam (po), Chengalpattu (dt)
Madhuranthagam(tk), Tamilnadu 603 308

Introduction

Nurturing a dream to create an institution of excellence, Thiru S. Regupathy laid the foundation of the KarpagaVinayaga Educational Trust, which gave birth to J.J. College of Arts & Sciences at Pudukkottai in the year 1993. Not resting on the initial laurels he surged forward and in the year 2001, KarpagaVinayaga College of Engineering and Technology was set up. In his marathon efforts to give quality doctors to the surrounding rural population, he established in 2006, the KarpagaVinayaga Hospital and Dental Outpatient Department with a capacity of 550 beds, with all allied Medical and Dental facilities at chinnakolambakkam village in Kanchipuram district. Following the Dental Hospital establishment our dental college was established in the year 2007.

KarpagaVinayaga Institute of Dental Sciences prides itself in being able to provide excellent venue for our students to excel in academic as well as extra-curricular activities. We have a 260 chaired dental hospital with all modern facilities to cater the learning need of our students as well as to provide excellent care for our patients.

Our students are taught basic medical sciences at our sister institute KarpagaVinayaga Institute of Medical Sciences and Research Centre which is also equipped with state-of-the-art facilities. There our 3rd year students are given extra care and outstanding training in basic medical knowledge. Our house-surgeons are regularly serving the public by attending rural postings, community treatment camps, free treatment camps all the while gaining valuable experience and knowledge. We take special interest in our students and hence nurture them will all the necessary skills and confidence to take on any professional challenge they might face in life.

Post-graduation was started in the year 2020 with 9 PG courses including:

Department of Oral and Maxillofacial surgery
Department of Prosthodontics & Crown & Bridge
Department of Periodontology & Implantology
Department of Orthodontics & Dentofacial Orthopaedics
Department of Pedodontics & preventive dentistry
Department of Conservative dentistry & Endodontics
Department of Public Health Dentistry
Department of Oral & Maxillofacial Pathology
Department of Oral Medicine & Radiology

Madhuranthagam(tk), Tamilnadu 603 308

KarpagaVinayaga Institute of Medical Sciences was started in the year 2009 with 100 students for the first batch and has not looked back since then. In the year 2013, the Medical institution started with Postgraduate courses

Vision

To grow as an internationally recognized institute, attaining excellence in the expertise of patient care, dental education and research and development to serve humanity!

Mission

Develop dental education and collaborative initiatives to achieve excellence in dental care, supported by a rigorous academic and research environment. We should be able to attract the best minds in a rewarding and inspiring environment by fostering creativity, innovation and adopting the recent advances in dental technologies. The highest standard of the patient should be aimed to serve the sick and the suffering, irrespective of their economic, social or religious status. Our Philosophy: To care with compassion and cure with competence.

Strength, Weakness, Opportunity and Challenges(SWOC)

Institutional Strength

Green and clean campus, with social recognition in the region.

Campus environment with assured safety and security.

Experienced, well qualified, dedicated faculties to train the students across all the phases.

Determined, supportive and committed administrative support.

Enthusiastic, creative, optimistic medical education unit.

Expansion of infrastructure and facilities for Dental super- specialty, to provide all types of services to the patient health.

Proactive institutional support for Research innovations, Faculty development and Community services.

Collaborations and MOU's, which are mutually benefitting each other.

Well-equipped Skill Laboratory to train the students to the level where it touches all the important aspects in skill development.

KARPAGA VINAYAGA INSTITUTE OF DENTAL SCIENCES

GST Road, Chinna Kolambakkam, Padalam (po), Chengalpattu (dt)
Madhuranthagam(tk), Tamilnadu 603 308

Institutional Weakness

Paucity of funds for Research projects.

Limited provisions of scholarships for the meritorious students.

Trans-disciplinary and inter-disciplinary projects to be improved.

Dearth of Research collaboration with renowned centers in the country and abroad.
Opportunities to strengthen Research program.

Limited number of faculties with PhD and Post-doctoral Research.

Institutional Opportunity

To introduce certificate/diploma programs in Dental care.

To increase the Alumni participation in the institutional development program.

To give qualitative and satisfactory health care to the rural population.

To formulate attractive HR policy for the metro faculties to stay inside the campus.

To introduce innovative interdisciplinary programs in collaboration with medical sciences and biotechnology.

Institutional Challenge

To overcome all the barriers and execute smooth conduct of the newly implemented curriculum and to get the best possible outcome in the form of a competent Dental Graduate to the Nation.

Success lies in metamorphosing every student coming out of the institution.

To attract more super-specialty faculties in our institute.

To balance the workload for the Clinicians in respect to teaching, patient care 24X7 and Research.
