INSTITUTIONAL CODE OF ETHICS

The institutional ethical committee has been established for the conduct of research in an ethical manner as per the guidelines and standard, to prevent the malpractices. Institute has adopted code of conduct for research which includes the following:

1. Dental experiment and human research should be carried out in an ethical manner.
2. The IEC committee is dedicated to oversee the rights and well-being of research subjects /participants in the scientific study.
3. The research in human experiments should not involve the participants who are not willing to participate in the study.
4. Duration of the project, problems anticipated, project management, ethical considerations, informed consent document, budget, funding organization, collaborations, curriculum vitae of each faculty involved in the study to be submitted.
5. The document submitted to ethical committee for review should contain a project summary which includes introduction, objectives of the study, background rationales, review of literature, methodology , data collection & statistical analysis and references.
6. To curb the plagiarism in research work
7. To promote quality research work
8. Quality assurance, expected outcome of the study, dissemination of results & publication policy to be informed at the time of presentation of study to IEC.
9. After the project get through IEC approval principal investigator has to sign a copy

New Delhi - 110001
Dated : 02-Feb-2021

Provisional Certificate

Subject: Provisional registration of the Ethics Committee relating to Biomedical and Health Research with the National Ethics Committee Registry for Biomedical and Health Research (NECRBHR), Department of Health Research (DHR).

In exercise of the powers conferred by sub-rule (3) of rule 17 of the New Drugs and Clinical Trials Rules, 2019, the designated authority in the Department of Health Research, Ministry of Health & Family Welfare, hereby provisionally registers and permits the following Ethics Committee to perform the duties of ethics committee as specified in Chapter-IV of the New Drugs and Clinical Trials Rules, 2019.

Name : INSTITUTIONAL ETHICS COMMITTEE
Address : KARPAGA VINAYAGA INSTITUTE OF DENTAL SCIENCES, GST ROAD, CHINNA KOLAMBAKKAM, PALAYANOOR POST MADHURANTHAGAM TALUK, Kanchipuram, Tamil Nadu - 603308
Contact No: 04427565195
Fax : 04427565170

2. The Ethics Committee shall observe all the conditions as stipulated in Chapter-IV of the aforesaid Rules, i.e., New Drugs and Clinical Trials Rules, 2019 and the National Ethical Guidelines for Biomedical and Health Research Involving Human Participants, specified by the Indian Council of Medical Research (ICMR).

3. The designated authority shall scrutinize the documents and information furnished with the application by the Ethics Committee for the issue of final registration certificate.

4. The above provisional registration shall be valid for a maximum period of two years from the date of its issue or till grant of final registration or rejection of provisional registration, whichever is earlier.

(Anu Nagar)
Joint Secretary
Department of Health Research
Designated Authority

UNDERTAKING BY THE ETHICS COMMITTEE

1. Full name, address and title of the Chairperson SUDHAKAR V, Adhiparasakthi Dental College And Hospital, Melmaruvathur, Kanchipuram, Tamil Nadu, India - 603319

4. Commitments:

(1) The Committee shall review and accord its approval to a biomedical research and also carry ongoing review of the study at appropriate intervals, as specified in latest edition of National ethical guidelines for biomedical and health research involving human participants - ICMR for safeguarding the rights, safety and well-being of the research participants.

(2) In case of any serious adverse event occurring to research participants during the research study, the Committee shall analyze and forward its opinion as per procedures specified under National Ethical Guidelines for Biomedical and Health Research Involving Human Participants.

(3) The Committee shall allow experts/officials authorized by Department of Health Research (DHR) to enter its premises to inspect any record, data or any document related to research study and provide adequate replies to any query raised by such experts/officials, as the case may be, in relation to the conduct of biomedical and health research.

(4) We agree to maintain adequate and accurate records after the completion or termination of biomedical & health research study for not less than 3 years from the date of completion or termination of the study (both in hard and soft copies).

INSTITUTIONAL ETHICS COMMITTEE(IEC-KIDS)

(App. No: EC/NEW/INST/2020/1112)

Greetings from Institutional Ethics Committee,

This is to inform all the Faculties, PG & UG students, we are inviting research proposal application for initial approval from IEC-KIDS for the November-December 2020 session. Those who are planning for their research projects including Short studies & PG dissertation, requested to submit the research proposal/protocol in a prescribed format given below. The application should be send to "The Member Secretary, IEC- secretariat, Karpaga Vinayaga Institute of Dental Sciences" both in hard and soft copy within 15 days of this notification.

The date and place of the meeting, the Rules and Regulations of conduct of meeting will notify later.

4. Dr Pradeep Nivas - Endodontics / For V. Reddy

Minutes of Meeting

The meeting commenced sharp, by 9.30 Am. A total of 14 Postgraduates presented their Proposals. Of the 14 Presentations, 12 include Dissertation topics & 4 include Short studies.

The 1st Presentation was done by Dr. Sathiya Gomathi, Postgraduate from the dept. of Public Health Dentistry. At the end of her presentation, clarifications regarding sample size calculation was done by members of IEC.

Valid Queries were raised by the members of IEC, following every other Presentation. Each Candidate efficiently answered the questions.

The members of IEC gave valuable suggestions as and when needed, regarding calculation of sample size, budget, time line of the study, study design, methodology and so on.

Presentations on Dissertation topics ended with Dr. Geethanjali, Postgraduate from Dept. of Endodontics.

This was followed by 4 Presentations on short studies.

The last presentation was done by Dr. Pradeep Nivas, Postgraduate from Dept. of Endodontics.

Minutes of Meeting

The meeting commenced by 9:30 Am, with all the candidates and members of the IEC present in the hall.

A total of 12 presentations were done in today's meeting.

The 1st Presentation was done by Dr. E. V. Aski, postgraduate, dept. of Orthodontics. At the end of her presentation, she efficiently clarified the questions raised by the members of IEC.

Following each presentation, clarifications & suggestions were given to the candidates by IEC members. Sharing opinions, ideas were done as well amongst the members, as and when needed.

All the candidates presented their proposals on Dissertation topics.

The last presentation was done by Dr. Deepak, faculty from the dept. of Oral and Maxillofacial Surgery, ^{as} a co-guide on behalf of his post-graduate student, Dr. Kavitha.
