KIDS believe that college life goes beyond the routine lectures, laboratory work, assignment and assessments. The institute ensures that every student has memorable and enjoyable moments throughout his stay. The Student Council is a structural body of the students through which they can get involved in various activities and work together with faculty members for the growth of the institute. The Student Council was established in the year 2015. The students are selected based on their academic and extracurricular performance. The Council has equal representation from all the batches and equal distribution of male and female students. The faculty from the academic and the administrative departments are also placed in the Council as Advisory members and Ex-officio members. The Advisory and Ex-officio members have to monitor the Council activities and to guide and advise, as and when needed. The Student Council is active in all the activities of the institution and represents in various committees like Curriculum Committee, IQAC, Library Committee, Anti-ragging Committee, Anti-sexual Harassment Cell etc. To promote the Student Council, students represent themselves in various clubs including, Academic Club, Cultural Club, Health Club, Social Service Club.
