## Follow up Action:

1. During every parent teacher meeting an undertaking is taken from the parents whose wards are not fulfilling the IA/ attendance percentage as per the statutory norms. Last academic year 2021-22 one student stopped from writing exam due to lack of attendance or less internal assessment marks.
2. As campus is sprawled over 63 acres area , and the students are not allowed to use vehicles inside the campus for prevention of pollution and safety of the students. Institution has made provision to use bar-coded green cycles within the campus for their day-today needs.
3. Provision of attached toilets for all the rooms was done.
4. Satellite classes for PG NEET coaching has been started (evening hours during week days and day hrs during the weekends) presently 25 students are enrolled for the same.
