4. CHILDREN'S DAY 2022

Childrens day was conducted in Janet matriculation higher secondary school on 14th November 2022, from the department of Pedodontics and Preventive dentistry, Karpaga vinayaga institute of dental sciences.

We have conducted drawing competition for primary class children. School children were very much excited, they started drawing based on the theme 'environment and nature'. Every student was innovative in drawing pictures. Gifts were distributed to the children at the end of the drawing competition.

A power point presentation on health education was given by Dr. Kiruthiga. The presentation focussed on importance of tooth brushing, management of sport injuries, causes for childhood dental caries, about malocclusion, dental traumatic injuries and oral hygiene practices.
