

DR. T. SARAVANAN,

PROFESSOR

1. Correlation of Serum Vitamin B12 and Iron as Etiologic Factors in Recurrent Aphthous Stomatitis A Case-Control Study Journal of Indian Academy of Oral Medicine and Radiology.2021:33:66-70
2. Prevalence of mandible fractures- Indian Journal Of Dental Research2020;31:971-4.
3. Kikuchi – Fujimoto Disease: A diagnostic Dilemma International Journal of Dentistry and oral Science (IJDOS) ISSN: 2377-8075
4. Steroid sparing drugs in immune mediated mucocutaneous disease – a review on therapeutic regimen- Global journal for research analysis vol-10, issue-9, sep 2021
5. Oral cancer diagnostics – a review International journal of medical sciences and advanced clinical research vol 5 issue 5 sep-oct 2022
6. Awareness and knowledge of oral radiology among dental undergraduates – a cross sectional study- International journal of dental and medical sciences research
7. Verrucous carcinoma of buccal mucosa – a case report- International journal of current science mar 2022
8. Chronic sialadenitis – a case report International journal of current science mar 2022
9. Pleomorphic adenoma – a case report- International journal of current science mar 2022
10. Evaluation of mandibular canal anatomy, variations and its classifications in panoramic radiographs – a retrospective study- Journal of scientific dentistry 2022
11. Comparative evaluation of efficacy of therapeutic ultrasound and phonophoresis in myofascial pain dysfunction syndrome- Journal of indian academy of oral medicine and radiology 2022
12. Impact of telemedicine in dentistry – an Indian perspective Asian journal of dental sciences 5(4): 226- 231, 2022: Article no.AJDS.92547

13. The coloboma eye syndrome a rare case report- International journal of advanced research 2022
14. Awareness of palliative medicine among dental students and practitioners Journal of dental and medical sciences, vol-21, issue 8, august 2022
15. Radiographic evaluation of eruption levels and angulations of impacted mandibular third molars – a retrospective study International journal of scientific research, Volume 11, Issue 12, December 2022
16. Scheuthauer-Marie-Sainton syndrome – a case report- International journal of research in medical sciences vol-11, issue-1
17. Assessing the relationship between the intercondylar distance and mandibular intercanine distance in orthopantomogram – A Retrospective study SRM journal of research in dental sciences, vol-14, issue-1, jan-2023
18. Prevalence of oral mucosal abnormalities in the patients visiting government tertiary care center in south india in relation to age and sex – a retrospective study European chemical bulletin 12 (special issue-5)
19. Initial diagnosis and improvement classification of anemiaby red cell distribution width and mean manifestation- European chemical bulletin 12 (special issue-5)
20. Lobular capillary hemangioma – a case report and review of literature- Global journal for research analysis
21. Review of oral submucous fibrosis: New conceptualizations including etiopathogenesis and Ayurvedic Therapies- European chemical bulletin 12 (special issue-5)
22. Oro-facial Phakomatosis- International Journal of Research and analytical reviews vol-10, Issue-2, 2023
23. Vascular anomalies in orofacial complex- International Journal of Research and analytical reviews vol-10, Issue-2, 2023

24. Comparative evaluation of desensitizing effect of three fluoride varnishes in patients with dentinal sensitivity under palliative care- A cross sectional study     Journal of Indian academy of oral medicine and radiology Volume 35, Issue 3, July – September 2023
  
25. Comparative Evaluation of Therapeutic Effects of Curcumin and Aloe Vera with Ultrasound as an Adjuvant in the Management of Oral Submucous Fibrosis- Journal of Indian academy of oral medicine and radiology
  
26. Monoclonal Antibodies in Oral Cancer Therapy- Journal of the Scientific Society | Volume 51 | Issue 2 | April-June 2024
  
27. Evaluation of Knowledge, Attitude, and Practice Regarding Positron Emission Tomography in Head and Neck Cancers among Oral Physicians in South India: A Cross- Sectional Study- Journal of Indian academy of oral medicine and radiology
