**Report on Feedback Received from Alumni**

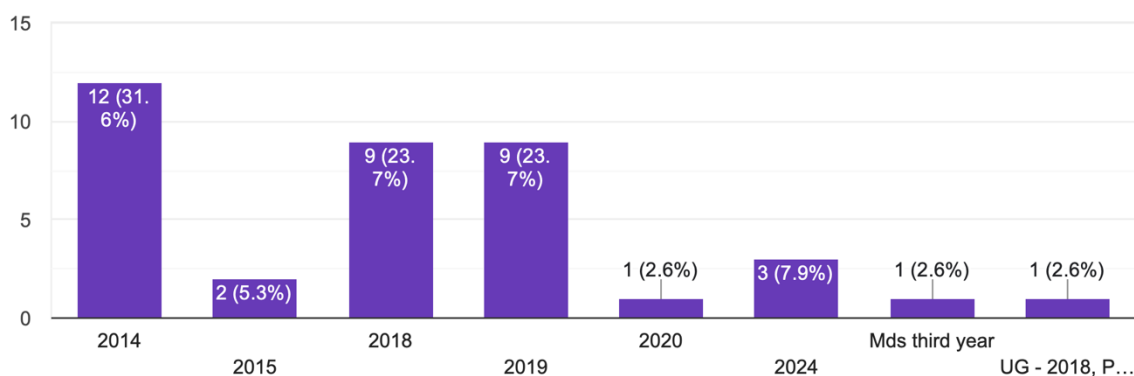

A questionnaire was prepared to make a survey on various parameters of the institute by the Principal and the same was filled by the students of the college in the year 2023-2024.

The questionnaires consisted of 7 questions for student feedback, 8 questions for teachers feedback, 9 questions for alumni feedback, 5 questions for employer feedback and 8 questions for professionals feedback respectively. All the questions were based primarily on teaching learning process, behaviour/conduct, infra-structure, initiatives/grievances etc. The responses for the year were analyzed in order to take corrective actions in relation to institutional vision and goals. The student feedback approach is basically about institutional practices, processes and frameworks that take into account students concerns of the quality of the education they receive.

The response of this feedback-form consisted of five options and the students were asked to select any one option from the five. In the given survey held in 2023-24, the college collected the feedback from around 212 (Under graduate and Post graduate students), 37 (employers), 38 (alumni) and 31 (teachers) and 9 (professionals). The questionnaire along with its evaluation is given below:
