

OMFS DAY

DESCRIPTION:

International Oral and Maxillofacial Surgeons Day is celebrated annually on February 13th. The day recognizes the contributions of oral and maxillofacial surgeons and their role in healthcare. As a part of this celebration, skits were performed by the interns to create awareness on management of emergencies in dental office. Our respected dean sir was invited as special guest for the celebration. Prize winners were felicitated and prizes were distributed by our dean sir.
